

Dear Parents/Guardians,

Welcome back to another exciting year at FLC! This year, I will be your child's American History/English 3/Survey of Law teacher. I am sending home this letter along with my syllabus to introduce myself and to open a line of communication that I hope we will maintain throughout the year. In the above syllabus, you will find my contact information--don't hesitate to reach out to me for any reason. On the back of this letter, please provide your contact information to facilitate communication between us. You, your child, and I all share the goal of your child's academic success and personal growth this school year, and through good communication, we can ensure your child has all the supports he or she needs to make this a great year. I hope to hear from you soon and look forward to meeting in person!

Best,

Mr. Fantini, Room 129
