Election Research: Key Issues

Take the political position quiz on isidewith.com. While responding to the questions, pull out 3 political issues that you care about or that interest you. You will research these issues, explain their importance to our society, and research the **typical** Republican and Democrat positions on these issues (NOTE: not **ALL** Republicans/Democrats will agree on a particular position, but on most issues the parties have a general position).

ISSUE 1

1. What does this issue mean?

2. Why is this issue important?

What is the **typical** Democrat position on this issue?

What is the **typical** Republican position on this issue?

What is **YOUR** position on this issue?

ISSUE 2

1. What does this issue mean?
2. Why is this issue important?

What is the ***typical*** Democrat position on this issue?

What is the ***typical*** Republican position on this issue?

What is ***YOUR*** position on this issue?

ISSUE 3

1. What does this issue mean?
2. Why is this issue important?

What is the ***typical*** Democrat position on this issue?

What is the ***typical*** Republican position on this issue?

What is ***YOUR*** position on this issue?
